

## Dr. Marion Spellman

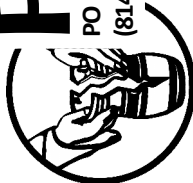

Founding President & CEO

In a world of turmoil and uncertainty, it is more important than ever to focus on families and to make them a priority.

The Peniel Family Wellness Clinic was birthed out of Dr. Marion Spellman's heart for and uncompromising commitment to the family unit. In addition to her passion for children and families, she continues in her unconditional, faithful pursuit of transformed lives and restored relationships.

Even if the smallest openings are left unattended, negative influences can infiltrate the strongest of family units. Peniel Family Wellness Clinic strives to help our clients develop the tools required to make their homes a place of refuge from the storm, which is increasing in intensity all around us. We endeavor to prepare families to successfully navigate through the challenges life presents.

Family Wellness Clinic

## Building Healthy Families

A Component of the  
**PENIEL Residential  
Drug/Alcohol Program**

## Program Description:

Peniel Family Wellness Clinic is an out-patient program whose management is directly under Peniel Treatment Facility. We provide clinical therapy and Christian counseling with practical emphasis to children, teens and families.

Individual as well as family sessions are conducted by trained clinicians and overseen by a licensed social worker with years of experience and success.

Appointments are scheduled in advance based on the patient's need and at the discretion of the clinician. Group therapy is also provided according to age and diagnosis compatibility.

An individualized service plan is developed for each client in order to provide the specific tools the client needs to be successful.

## Services Provided:

- ✓ Individual counseling
- ✓ Family counseling and intervention
- ✓ Group therapy
- ✓ Play therapy
- ✓ Clinical assessment
- ✓ Legal advocacy
- ✓ Educational advocacy
- ✓ Safety assessment for children
- ✓ Referral to community resources
- ✓ Prevention of placement and abuse counseling
- ✓ Substance abuse treatment
- ✓ Parenting skills training
- ✓ Medical and mental health assessment and referral

## Meet Our Family Wellness Clinic Team

**Dawn Murphy, MSW, CAADC**

Dawn has served in the field of social work counseling since 1982. Her experience includes treatment of mental illness, alcohol and drug addiction, military trauma, child abuse and hospice services. She has worked with

Veteran's affairs, hospital based psychiatric services, various modalities of substance abuse programs, state child welfare, substance abuse coordinating agency, University of Pittsburgh-Johnstown and hospice services.

Dawn has held positions such as Therapist, Counselor, Psychiatric Social Worker, and Clinical Utilization Coordinator. Dawn is highly qualified and a professional personified.

**Patricia Eagleson, RN, MSN, CRNP, FNP-BC  
Consultant**

For many years, Patricia has been faithfully serving at Peniel as a Registered Nurse in the Medical Department. This highly skilled expert provides health promotion education, completes entry history and physical evaluations, and coordinates resident's medical care. Patricia is also equipped in emergency preparedness.

During her tenure at Peniel, she has obtained her Master's degree while simultaneously serving as a Registered Nurse Practitioner at Memorial Medical Center. Patricia brings a wealth of experience, training and unparalleled professionalism to the field of Family Wellness.

**Sarah Levine, MA**

Sarah has been a member of the Peniel team for a number of years and serves as an Intake Specialist and Ladies Program Staff.

Her journey began at a young age when she felt called into ministry with a focus on those caught in the vicious cycle of addiction.

While receiving her education, Sarah completed an internship concentrating on drug and alcohol abuse and soon joined the staff at a group home offering assistance for those experiencing mental and/or emotional challenges. Shortly after, Sarah pursued her passion to help the broken, lost, and hurting at Peniel where she is a part of transforming lives.

**Victoria Coleman, RN**

Victoria is a graduate of the Conemaugh School of Nursing. Among her expertise in the medical field, her talent includes trauma care with experience in the Intensive Care Unit/Coronary Care Unit at Memorial Medical Center and with physician groups throughout the community.

Joining the Peniel Medical Services team in 2007, she continues to expand her proficiency, training in post traumatic stress disorders and leadership nursing skills. Victoria serves with great efficiency and kindness.
